1. From the county website, click on “Links”, then “County Email Access”, you will see this box pop up.

   ![Connect to mail.co.guadalupe.tx.us](image)

2. For User Name type: guadalupe\john.doe (your username)
   For Password type: your password at work

   ![Connect to mail.co.guadalupe.tx.us](image)

Once you click okay, it should take you to your email. If for some reason you have a third box under password, use this information:
For the Username: your username at work (john.doe)
For the Password: your work logon password
For the Domain: guadalupe
