I-10 Closures and Traffic Pattern Change in Guadalupe County

Sunday, August 4 until Saturday, August 17, 9 p.m. until 5 a.m., the inside passing lane of I-10 west/westbound main lane, between FM 464 and SH 46, will be closed for paving.

Sunday, August 4 until Saturday, August 17, 9 p.m. until 5 a.m. there will be alternating lane closure on I-10 east/westbound main lanes, between SH 123 and US 90 while the contractor places barrier and performs pavement repairs.

Sunday, August 4 until Friday, August 16, 9 p.m. until 5 a.m. there will be alternating ramp closures on I-10, west/eastbound between FM 464 and SH 123, for pavement repairs.

Beginning Monday, August 5, at 5 a.m., the following traffic pattern changes will occur:

- **Ramp Closure:** The temporary westbound main lane (WBML) Haeckerville/Zuehl Rd. entrance ramp will be permanently closed. Southbound Zuehl Rd. travelers seeking the I-10 WBML will use the existing Graytown Road WBML entrance ramp.
- **New Permanent Ramps:** Ramps will be opened as the Santa Clara WBML entrance ramp and the FM 2538 WBML exit ramp. The estimated distance between the new Santa Clara and the existing Graytown Road WBML entrance ramps is 7 miles.
- **Ramp Relocation:** The temporary Zuehl Road eastbound main lane exit ramp will be shifted slightly east of its current location.

The traveling public is encouraged to use an alternate route to avoid delays
