
COMMUNICATION DATE: August 26, 2024

I-10 Closures at Huber Road underpass

Monday, August 26 until Tuesday, August 27, 7 a.m. until 7 p.m. there will be a daily temporary closure of the Huber Road underpass, between the westbound and eastbound frontage roads, while the contractor completes bridge work. Additionally, there will be a daily temporary closure of I-10 eastbound frontage road, between Huber Road and SH 123B, and the I-10 eastbound mainlane exit ramp to SH 123B will be closed. Detours are in place while the work is performed.

September 3 to Monday, September 30, from 7 a.m. - 5 p.m. there will be a temporary continuous closure of the Huber Road underpass, between the westbound and eastbound frontage roads, while the contractor completes bridge work.
