Construction lane closures

I-10 – East San Antonio/Bexar County/Guadalupe County

- Wednesday, May 22. Loop 1604 Intersection at I-10 closed overnight from 11 p.m. to 5 a.m. for beam setting. Detours: Northbound Loop 1604 traffic to go east on I-10 frontage road, make a left at Pfeil Rd., and a left onto the westbound frontage road to continue to the I-10 and 1604 intersection. Southbound Loop 1604 traffic to go west on I-10 frontage road, make a left at FM 1516, and a left onto the eastbound frontage road to continue to the I-10 and 1604 intersection.
- Continuing through Wednesday, May 29. Eastbound I-10 to southbound I-410 exit is closed nightly from 9 p.m. to 5 a.m. for drainage work. Detour: Eastbound I-10 traffic to exit at W.W. White and continue on the frontage road until the next entrance ramp to I-410 southbound.
- Continuing through Wednesday, May 29. Westbound I-10 to southbound I-410 cloverleaf is closed nightly from 9 p.m. to 5 a.m. for drainage work. Detour: Westbound I-10 traffic to exit at W.W. White, turn around at the intersection, and continue on the frontage road until the next entrance ramp to I-410 southbound.
- Continuing through mid-May. The westbound I-10 entrance ramp from Ackerman closed. Detour: Westbound I-10 frontage road traffic to westbound I-10 mainlanes may turn around at Ackerman, continue on the eastbound frontage road, and use the Foster turnaround to access the westbound I-10 entrance ramp at Foster. (Traffic wanting to access southbound I-410 can continue on frontage road, turn around at FM 78, and enter southbound I-410.)
