

I-10 Expansion Project in Seguin

I-10 at 123B Westbound to Eastbound Turnaround Lane Closure

I-10 at 123B Eastbound to Westbound Turnaround Lane Closure

CLOSURES

Beginning Tuesday, May 28 at 7 AM, there will be a permanent closure of the I-10 westbound frontage road to eastbound frontage road U-turn lane at the 123B intersection, also known as N. Austin St. No detour is required. Traffic will utilize timing signals for U-turns.

Beginning Tuesday, May 28 at 7 AM, there will be a permanent closure of the I-10 eastbound frontage road to westbound frontage road U-turn lane at the 123B intersection, also known as N. Austin St. No detour is required. Traffic will utilize timing signals for U-turns.

PURPOSE

Crews are working to widen I-10 from 4 lanes to 6 lanes, between FM 464 and SH 123, to include resurfacing between SH 123 and SH 130. The estimated completion date is Fall 2029.
