Honorable Judges and Commissioners:

The unaudited and unadjusted Monthly Financial Report of Guadalupe County, Texas is submitted herewith for the period from **October 1, 2020 - October 31, 2020**. This report was prepared by the County Auditor in compliance with Chapter 114 of the Local Government Code (Vernon's Texas Codes Annotated).

The Monthly Financial Report is presented in three sections: **Budget Status**, **Financial Statements**, and **Schedules**. The Budget Status section includes the "Top Five" revenues with selected charts. GUADALUPE COUNTY, TEXAS Revenues - Top Five Revenues

These five revenue sources represent 89% of revenue for the General Fund; hence, I refer to them as the "Top Five."

#1 Property Taxes

The County is different from other forms of local government in that it has limited sources of funding. The main funding source, and the only funding source directly controlled by the Commissioners Court, is property taxes. In the General Fund, Current Property Taxes (Maintenance and Operations, M&O) represent 69.6% of all revenue. Please see the chart included in this report for historical budget and collections information.

#2 Sales Tax

Guadalupe County's 1/2 percent sales and use tax rate (.005) was effective January 1, 1988. Please see the chart included in this report for historical budget and collections information

#3 City Contribution to Hospital

The County pays to the city-county hospital (Guadalupe Regional Medical Center, GRMC) 8% of its General Revenue Tax Levy (general fund property taxes and sales tax) for indigent health care. The City of Seguin then contributes to the County half of this 8% (i.e. 4%). This amount is set in an interlocal agreement between Guadalupe County and the City of Seguin on an annual basis.

Amount to GRMC \$3,489,417 Amount from City of Seguin \$1,744,709

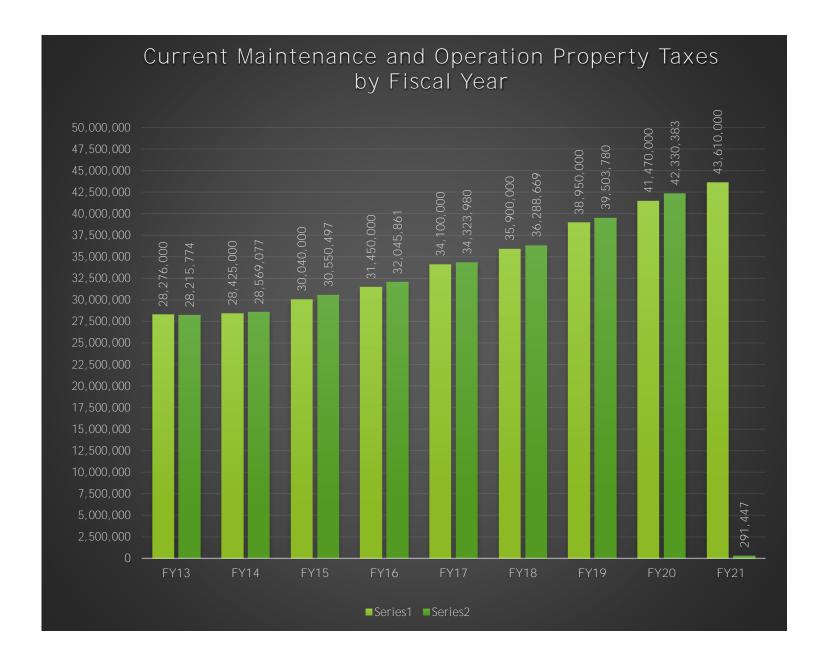

#4 Vehicle Registration (General Fund)

The Tax Assessor Collector remits a portion of the vehicle registration funds to the General Fund. This calculation is based on the Texas Transportation Code §502.1981. For more information on Vehicle Registration, please contact Daryl John, Tax Assessor-Collector. Please see the chart included in this report for historical budget and collections information.

#5 Inmate Board Bills

In 2001, in order to accommodate the growth in inmate population, the County completed construction on the new Law Enforcement Center which added approximately 400 beds to the Adult Detention Center (Jail). This additional bed space in the County Detention Facility has been rented out to other governmental entities (local and federal) in need of housing for their inmates. This "renting of bed space" is referred to as inmate board bills.

Inmate board bill revenue does fluctuate and depends on the needs of other jurisdictions; this revenue is not secured or guaranteed for any budget period. Please see the chart included in this report for historical budget and collections information.
