For Immediate Release:

Guadalupe County confirms 53rd case of COVID-19

Two additional COVID-19 cases have been confirmed in Guadalupe County, bringing the total cases to 53. The Texas Department of State Health Services made Guadalupe County Office of Emergency Management aware of these additional cases Wednesday, April 15, 2020.

Guadalupe County currently has 29 recovered patients, 24 active cases, with one patient being hospitalized outside of the County. Both of today's patients are at home and have been self-quarantined since being tested. One patient has been released from the hospital and is now at home self-quarantined.

Given the increases in the community spread throughout the United States, all individuals are at some risk of exposures to COVID-19. Everyone should monitor themselves for symptoms of COVID-19, practice social distancing, and stay home if they become sick, except to seek necessary medical care.
