DEATHS:

Since the start of COVID-19, there have been 46 deaths reported to Guadalupe County Emergency Management by DSHS. Guadalupe County expects the number of deaths to increase due to the Texas Department of State Health Services webpage reporting 79 deaths. Due to the lag in the reporting, we have not yet been provided all of the deaths.

Theses numbers are still changing. The Emergency Management Office is still reviewing the list from DSHS to ensure the cases are recorded in the chart below correctly.
