**DEATHS:**

**Updated GRMC number**

Since the start of COVID-19, there have been 48 deaths reported to Guadalupe County Emergency Management by DSHS. Guadalupe County expects the number of deaths to increase due to the Texas Department of State Health Services webpage reporting 112 deaths. Due to the lag in the reporting, we have not yet been provided all of the deaths.

**These numbers are still changing. The Emergency Management Office is still reviewing the list from DSHS to ensure the cases are recorded in the chart below correctly.**
